MY COMMITMENT TO MY CHILD

As a World of Good sponsor, I value the importance of the *relationship* between myself and my sponsored child. Therefore, I commit to:

... the sponsorship of my child as long as he/she is enrolled in the World of Good sponsorship program.

If for any unforeseen reason, my circumstances change and I am unable to continue my sponsorship, I realize the importance of my child's financial need and therefore commit to notifying World of Good with at least one month's notice that I must discontinue my sponsorship commitment. I also commit to sending my child a "parting letter".

... do my best to make my sponsorship payments on time.

...take the time to share with my child at least 2-3 times per year, through photos, cards and correspondence.

...eagerly participate in the annual spring "gift-giving opportunity" for my child. (Approximate postage cost of \$8-15.)
